

JANUARY 2026

NEWSLETTER

mscp10@live.com +254 736 234 496

Hi Friends,

We trust the first month of 2026 has been kind to you, and we give thanks to God for His faithfulness in carrying us through every season. January has seen us begin intentional steps to restructure, aligning our work with the strategies set to accomplish our mission. As we look ahead with renewed hope, we trust the Lord who goes before us to order our steps, moving forward anchored in His promises and committed to serving our children, their families, and our community with love, wisdom, and steadfast faith.

BACK TO SCHOOL

January marked a hopeful return to school for all the 40 children under our care, and we are deeply grateful to God for making every transition smooth. Some of our learners moved into better-quality institutions, while others successfully transitioned from junior secondary to senior school—each step reflecting growth, answered prayer, and careful guidance. Through the faithfulness of existing sponsors and the generosity of new supporters who came alongside us at just the right time, school fees, placements, and essential provisions were met. We give thanks for God's provision and for the grace with which He continues to order each child's path forward.

COMMUNITY SERVICE

We are grateful for the continued partnership with St. Andrew's, Turi through their TLA (Community Service) initiatives. In January, students generously gave their time and energy to serve alongside us—painting our board, cleaning classrooms, tidying the woodshed verandah, and weeding the kitchen garden. Their willingness to engage in practical, behind-the-scenes work has helped improve our learning environment in meaningful ways. We deeply appreciate their consistency, humility, and shared commitment to service.

Pray for:

- Youth navigating academic and life transitions, especially those in senior school.
- Financial sustainability and provision for the year ahead.
- Wisdom as we continue restructuring and implementing strategic plans
- God's guidance in raising up prospective partners and well-wishers for the next season
